MORTGAGE BROKER FEE DISCLOSURE

You have applied to us – a mortgage broker – for a residential mortgage loan. We will submit your application for a residential mortgage loan to a participating lender with which it from time to time contracts upon such terms and conditions as you may request or a lender may require. The lenders have asked that this form be furnished to you to clarify the role of mortgage brokers. This form supplements other disclosures or agreements required by law that you should receive from us concerning your application.

SECTION 1. NATURE OF RELATIONSHIP. In connection with this mortgage loan:

- We have separate independent contractor agreements with various lenders.
- While we seek to assist you in meeting your financial needs, we do not distribute the products of all lenders or investors in market and cannot guarantee the lowest price or best terms available in the market.

SECTION 2. THE BROKER'S COMPENSATION. The lenders whose loan products are distributed by us generally provide their loan products to us at a wholesale rate.

- The retail price we offer you – your interest rate, total points and fees – will include our compensation.
- In some cases, we may be paid all of our compensation by either you or the lender.
- Alternatively, we may be paid a portion of our compensation by both you and the lender. For example, in some cases, if you would rather pay a lower interest rate, you may pay higher up-front points and fees.
- Also, in some cases, If you would rather pay less up-front, you may wish to have some or all of our fees paid directly by the lender, which will result in a higher interest rate and higher monthly loan payments than you would otherwise be required to pay.
- We also may be paid by the lender based on (i) the value of the Mortgage Loan or related servicing rights in the market place or (ii) other services, goods or facilities performed or provided by us to the lender.

You may work with us to select the method in which we receive our compensation depending on your financial needs, subject to the lender's loan program requirements and credit underwriting guidelines.

The amount of fees and charges that you pay in connection with your loan will be estimated on your Good Faith Estimate. The final amounts will be disclosed on your HUD-1 or HUD-1A Settlement Statement.

By signing below, applicant(s) acknowledge that you have read and understand this document. By your signature, you also acknowledge that you have received a copy of this document.

CALIFORNIA CREDIT SCORE DISCLOSURE

In evaluating your application for a home mortgage loan, one factor your lender will consider is one or more of your credit scores because they assist the lender in evaluating your credit history in a faster, more objective manner. Your credit scores are found on your credit report, a copy of which, upon request will be provided to you. The range of possible scores is from 300 to 850. Your lender may also obtain and consider other credit scores in making its decision on your application from the credit bureaus listed below.

In addition to the credit scores, your credit report lists the key factors why your scores were less than the maximum possible score. Please keep in mind the factors are only indicators of why you received less than the maximum score possible. The listing of these factors does not by itself indicate that you would not be approved for the loan you have requested. Your lender considers many factors in addition to your credit scores in making a decision on your application. If your application is not approved, you will receive a separate notice stating the specific reason for that action which may or may not relate to your credit scores.

Your lender did not calculate your credit scores nor did your lender develop the scoring models. If you have any questions about your credit scores or the information in the credit report from which the scores were computed, you can contact the credit bureaus at the addresses listed below.

NOTICE TO HOME LOAN APPLICANT

Pursuant to California civil code section 1785.20.2

In connection with your application for a home loan, the lender must disclose to you the score that a credit bureau distributed to users and the lender used in connection with your home loan, and key factors affecting your credit score.

The credit score is a computer-generated summary calculated at the time of the request and based on the information a credit bureau or lender has on file. The scores are based on data about your credit history and payment patterns. Credit scores are important because they are used to assist the lender in determining whether you will obtain a loan. They may also be used to determine what interest rate you may be offered on the mortgage. Credit scores can change over time, depending on your conduct, how your credit history and payment patterns change, and how credit scoring technologies change.

Because the score is based on information in your credit history, it is very important that you review the credit-related information to make sure it is accurate. Credit records may vary from one company to another.

If you have questions about your credit score or the credit information that is furnished to you, contact the credit bureau at the address and telephone number provided with this notice, or contact the lender if the lender developed or generated the credit score. The credit bureau plays no part in the decision to take any action on the loan application and is unable to provide you with specific reasons for the decision on the loan application.

Your acknowledgement below signifies that this written notice was provided to you.

THIS CERTIFIES THAT THIS DISCLOSURE, ALONG WITH A COPY OF THEIR CREDIT REPORT, IF REQUESTED, HAS BEEN PROVIDED TO EACH APPLICANT/CLIENT ELIGIBLE PURSUANT TO CALIFORNIA CIVIL CODE SECTION 1785.20.2
