Re: False Alarm Courtesy Notice

City of Alameda Municipal Code Alarm Ordinance 6-10.3 and City of Alameda Resolution No. 12445 specify that whenever three or more false alarms are received by the police department from any one address within a twelve month period, the owner of that alarm is subject to a fee.

The Police Department received a false alarm from the above address on:

Date (MMDDYY)
4/27/2010

(Time)
6:18 PM

Incident #
101170146

If three or more false alarms are received by the Police Department in any one year period at this address, fees will be charged according to the following schedule:

	Responses through June 30, 2009	Responses after July 1, 2009
3- 5 false alarms	\$68 per response	\$69 per response
6 and more false alarms	\$137 per response	\$138 per response

If you have any questions regarding this ordinance please contact the Communications/Records Commander, Lt. Mark Landes, at (510)337-8520. This will be your only warning notice.

Sincerely,

Walter B. Tibbet
Chief of Police
