CONGRATULATIONS, YOU PASSED YOUR LICENSE EXAMINATION!

You have successfully met the examination requirement for the Life Agent license.

You may NOT transact insurance as a Life Agent until you receive your license from the California Department of Insurance (CDI). Your license provides you with the authority to conduct insurance transactions.

Please visit the CDI Web site: www.insurance.ca.gov within seven to ten business days to determine if your license has been issued. To do so, open the Web page, click on the "Check Your License Status" icon that is listed under the "Licensing Agents & Brokers" heading. On the "Check Your License Status" page, type in your name and click "Submit Query." If your license has been issued, your record will appear on the monitor. Click on your license number (in blue) to review your record.
